Version 1.01

## Licence

The EtherWILC module and AutoSense script supplied with the accompanying product (“the Software”), whether on disc, on ROM, or on other media (“the Media”) together with the related documentation are licensed to you by Elesar Limited (“Elesar”). Elesar or its licensors retain ownership of all intellectual property rights in the Software.

This licence permits you to use the Software on a single computer and you may make one copy of the Software for backup purposes only. You may be granted additional rights, which will be specified in the accompanying Software. You must reproduce on any back-up copy of the Software all copyright and proprietary notices which appear on the original copy of the Software.

You may transfer all of your licence rights in the Software and related documentation ONLY in conjunction with the transfer of the accompanying product AND provided that the transferee has read and agreed to accept the terms and condition of this licence.

## Restrictions

Except as authorised above or expressly permitted by statute, you may not copy, modify, decompile, reverse engineer, rent, lease, gift, loan, distribute or transfer possession of the Software or the related documentation in whole or in part.

## Termination

This licence is effective until terminated. You may terminate the licence by destroying the Software and all copies thereof and the related documentation. This licence will terminate automatically without notice if you fail to comply with any of its provisions. Upon termination you must destroy the Software and all copies thereof and the related documentation.

## Limited warranty and disclaimer

The Software and the related documentation is supplied “as is” and Elesar and its licensors expressly disclaim any warranty, express or implied, as to the merchantability of the Software and the related documentation or their fitness for any particular purpose.

In no circumstances will Elesar, its licensors or its distributors be liable for any direct, indirect, consequential or incidental damage (including loss of profits, business interruption and loss of data) arising out of the use or the inability to use the Software or related documentation, even if Elesar or its distributors has been advised of the possibility of such damage.

## General

The above terms and conditions supersede any prior agreement, oral or written, between you and Elesar relating to the Software.

## **Other licence terms**

The following components included in the Software are also covered by other common licences as detailed below.
